SHOWROOM 25 Lenco Crescent, Landsborough QLD 4550

Qspec Building Mobility Solutions is a specialised building company delivering minor and major home modifications for individuals with mobility and access needs. Working closely with health professionals, Qspec brings clinical prescriptions to life—creating safe, functional environments that support independence in everyday living.

Founded by Managing Director Ryan Quade, Qspec was established with a clear vision: to be more than just a building company, but a trusted service provider. Today, Qspec is made up of a diverse team of licensed trades and experienced office professionals, bringing extensive expertise in home modifications.

Driven by a passion for making a meaningful difference, the Qspec team is committed to delivering high-quality outcomes, exceptional communication, and solutions that empower Queenslanders to live safely and independently in their own homes
