

# QSPEC PROFESSIONAL DEVELOPMENT DAYS

## Learn about the world of home modifications!

WE CAN SERVICE YOUR HOME CARE PACKAGE!

Registered NDIS Provider

Receive up to 4 CPD hours whilst learning valuable knowledge for your career!

Qspec Professional Development Days provide Health Professionals working in the home modification industry an environment where they can learn about the diverse world of home modifications and the products and services Qspec delivers.

The Professional Development Days are offered free of charge and held in the Qspec showroom in Maroochydore. The showroom is well equipped with presentation facilities, a product display, a functional bidet, ceiling hoist and stair climber. All attendees will receive a Certificate of Attendance showing the contact hours gained on the day.

The content for these days is presented in 6 different modules. It is recommended attendees allocate between 2 and 4 hours to complete all modules, this time will include a break with refreshments and allocated discussion time.

The Professional Development Days offer the perfect setting to clarify the home modification process and understand how Qspec can provide the best outcome for the Health Professional and their client.
